

Welcome to The Cotteridge Church

Sunday 5th September Proper 18

"The calling of The Cotteridge Church is to respond to the Gospel of God's love in Christ and to live out its discipleship in worship and mission."

**Merciful God,
your Son came to save us
and bore our sins on the cross:

News from TRAIDCRAFT .

this has been one of the most challenging years in Traidcraft's history, and indeed in our post war economy generally. Our over-all result is disappointing. Despite earlier hopes that we would break even, we finished with a trading loss of £89k. The loss is almost entirely made up of exceptional charges which the Board felt it was important to include in this year's accounts. It ensures, however, that we begin 2021 with a clean slate. The company, I am pleased to say, did not require a bounce back loan, nor did we delay VAT payments or renege on any financial commitments to suppliers. Given the upheavals, lockdowns, and huge uncertainties around employee safety over the past year, we are grateful to have emerged changed but unbowed. Looking forward, we are aware of the many challenges still to come. The trinity of rapidly changing COVID legislation, additional Brexit costs and the tangible effects of Climate Change on our producing partners will provide formidable headwinds, but we look forward to sharing our thoughts and plans for the coming months
